

COLOUR: HAZE

## FINEST TIMBERS. LOVINGLY CRAFTED. BUILT TO LAST.

With Dawson In-Frame Oak, both the external and the door frames are crafted from solid oak, while the panel is built using particle board and selected veneers. For a smooth finish choose Dawson In-Frame Tulipwood where the frame is Tulipwood and the panel is MDF particle board. The materials used will ensure that your kitchen will last as long as its timeless design.

## CHOOSE FROM 24 STANDARD FINISHES OR CUSTOMISE.

Pick a colour to imprint your personal style upon your home. Our wide range of paint options allow you to showcase your personality and add character to your kitchen. Alternatively, Dawson In-Frame Oak can be finished using clear lacquers, delivering a very authentic result.

V Groove Gables & Open Shelves

Carved gable details and open shelves add a distinctive look to the Dawson In-Frame range.

Chamfer Frame Detail

This detailing gives the kitchen a high-end look and feel.

DAWSON IN-FRAME
